Don't Spread the Bugs

We have had some recent cases of children being unwell at school. The Anderson's Bay School Policies and Procedures outline that children are required to be away from school for 48 hours following their last incidence of vomiting or diarrhea. If your child has been unwell, it would be greatly appreciated if you could keep to these guidelines, assisting us to keep the spread of germs and bugs to a minimum.

Pool Open for Fair Contributions

The Pool will be open on Sunday, 20 August and 2 September, from 1:00 pm - 3:00 pm, for fair donations. We very much appreciate your contributions to our upcoming school fair, thank you. When you are selecting items to donate please ensure they are in good order and are something that you would be happy to purchase. Due to our inability to guarantee the safety of second hand electrical equipment, we cannot accept any electrical items for sale.

PTA Fair Information

Fair 2017

Helpers Needed

Are you able to help?

If so please indicate your interest by emailing the PTA pta@andybay.ac.nz or here <http://signup.com/go/Cxmfnoz>

We still need volunteers to help on stalls and help to pick up or drop off trestle tables.

Plastic Bags for the Fair

If you could please drop any spare plastic bags off to the Office.

Mufti Day

The PTA will hold a Fair Fundraising Mufti Day on Friday 25th August. We will ask families for either a Gold coin donation or Chocolate or Lollies to be used as prizes for the fair.

Marque

If you have access to a Marquee that can be put on concrete please email pta@andybay.ac.nz

Cross Country

Arika Cup Cross Country Championships

Last Tuesday 8th August our Arika Cup Team took part in the Arika Cup Cross Country Championships. The athletes ran two laps around the 1.2km lap course, trying their absolute best. It was a very tough competition for them, having to compete against 70+ other athletes from the Primary School around the area. The year 5 and 6 grades ran together. Our athletes did a fantastic job representing our school with some great results.

Year 5 & 6 Girls team placed 3rd overall

Year 5 & 6 Boys team placed 3rd overall

Combined Anderson's Bay School placed 2nd overall

Playing in the Playground

Playing in the Playground

Our children enjoy a wide variety of play spaces at Anderson's Bay. A red flag indicates to the children when it is too wet and muddy to play on some areas. As the weather improves we are looking forward to being able to open the Playscape and other grassy areas again for play.

Playing in our school playground is supervised and monitored by three classroom teachers on duty during every play break. These teachers notice positive play and distribute vouchers for this, which go in a weekly draw to have Monday Morning Tea with Mr McDonald.

Our Y6 PALs do a great job organising games and activities, for children of all ages to join in with at lunchtimes. Our Sports Cages are also very popular, Y6 monitors distribute sports gear from these for children to use every lunchtime. Negative play which has required teacher intervention is recorded in a duty book and is followed by this consequences procedure:

2x incidents in a term – Your child is spoken to by Leadership Staff.

3x incidents in a term – Your child misses play opportunities for a playtime and lunchtime.

4x incidents in a term – Parents are notified by Leadership Staff and your child misses play opportunities for 2 days.

5x incidents in a term – Parents meet with Leadership Staff and your child misses play opportunities for 1 week.

The children are made aware of these consequences.

After school finishes at 3pm, if you are not taking your child home immediately you must supervise his/her playing and interacting with other children.

We promote positive play as children develop their social skills for life, thank you for supporting us with this.

O'mathalon

NumberWorks' n Words O'Mathalon 2017

Two Anderson's Bay Teams competed at the NumberWorks' n Words O'Mathalon championships on Tuesday 15th August at the Edgar Centre. One team represented in the Year 6 grade and one team represented in the Year 5 grade. Primary schools from all around Dunedin, including the Clutha district took part. The students were tested mainly on their Mathematical knowledge and skill. Students had about 20min to answer as many of the 20 questions available. Once again our two Anderson's Bay teams did our school very proud. The Year 6 team won their grade while the Year 5 team came third. The Year 6 team also won the Year 5 grade from 2016. Fantastic effort!

Notification of Absence from School

As you will be aware it is important that we are able to account for any child's absences from school. As part of our record keeping requirements for the government we are required to code and identify the reason for a child's absence or lateness to school. Can we ask that if your child is absent from school that you please leave a message, before 9:00 am, on our absences voicemail by calling the school office on 454 4413. In this message can you clearly state your child's name, their classroom number and the reason for their absence, it is also helpful if you can leave a contact phone number, in case we need to contact you back.

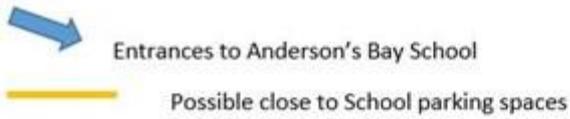

Mufti Day

A Mufti Day will be held on **Friday 25th August**. Please bring either a gold coin donation or chocolate/lollies to be used as prizes for the fair.

Anderson's Bay School Carpark

Over time we have noticed some "near miss" situations with vehicles, children and adults entering and leaving the Anderson's Bay School Staff car park and bottom car park adjacent to the recently closed Anderson's Bay School Playcentre. After monitoring these ongoing issues the Board of Trustees has made the decision to close these carpark areas to general use, with the exception of emergencies, during the hours of 8:30 am to 3:30 pm. From Monday 15 May these car park areas will be dedicated to staff and authorised vehicles only. Should you be in a situation, such as a need for close mobility access, please contact the school office for an authorised vehicle label. Not only will this ensure improved Health and Safety practices, but it will also free up street-side parking spaces, with staff cars parked off the street. As a school we are very aware of the limited parking and drop off areas along Jeffery Street. Below is a diagram of alternative parking options around our school (provided they are free of roadworks). The Board of Trustees do appreciate the understanding and commitment of our families to create the safest environment possible.

School Desks for Sale

Recently, as part of our continual modernisation of our learning environments, we upgraded the furniture in Rooms 5, 6 and 10. As a result of purchasing new furniture we now have class, flip top desks that are available for purchase and would like to offer these to our community for a donation of \$5 per desk. If you would like to purchase one of these desks they will be available on a "first in, first served" basis. Please contact our school office to secure your very own school desk.

Wintery Weather, School Closures and Late Starts

On occasions, schools may have a late start or closure for inclement weather. This could be for snow, ice or even flooding. Although at times the conditions around Anderson's Bay may not reflect the road conditions for some of the other major roadways in Dunedin, decisions for late starts or closures are made as a "blanket decision" for all schools in the Dunedin area, taking into consideration the need for staff and families at schools to travel across the city. Decisions to have a late start or closure will be notified on Classic Hits 89.4 FM. As soon as we receive notification of a late start or closure an email will be sent to all families and a note will be put on the home page of our www.andybay.ac.nz school website.

Making Parenting Easier

Would you like to:

- Enhance your relationship with your child
- Improve the atmosphere in your home
- See the positives rather than focusing on the negatives
- Boost your child's emotional intelligence (EQ)
- Identify personality clashes

Then contact Sue, I specialise in family work, more specifically assisting parents with the many challenges children bring. I have a passion for empowering parents to have happy, healthy relationships with their children. Often subtle changes in parenting can make a big difference to family life, together with parents we explore parenting strategies and develop a plan to move forward, making parenting easier.

Kia Ora Parents and Caregivers,

my name is Garrett Chin and I run the drama classes at Andersons Bay School.

I am looking for some new students who would be keen to join our fantastic programme! At Marrzipan we focus on encouraging self-confidence in our students through drama. We have had a stellar last two terms and excited to keep going forward for the rest of 2017! :-)

Our theme this term is all about "teamwork" and our play is called "Clash of Class" (Archers, wizards, barbarians), which is awesome!

If your child is keen to join please contact me through mobile: 027 767 3242 or email: garrett@marrzipandrama.co.nz You can check out our website at: marrzipandrama.co.nz and sign up directly from there.

Class Details:

Day: Thursdays

Time: 7 - 8pm

Location: MLE

Enclosed in this email is a quick 40 second video introducing myself.

If you have any questions, please let me know! :-)

Kind regards

Garrett Chin
